VIOLET

What do you mean you wrote to a newspaper? No lady writes to a newspaper.

EDITH

What about Lady Sarah Wilson? She's the daughter of a duke and she worked as a war journalist.

VIOLET

Well, she's a Churchill. The Churchills are different.

MARY

Have we no Churchill blood?

CORA

I think Granny's right.

VIOLET

Can somebody write that down?

February 6, 2015

I love Super Bowl half time shows. Actually, I'm being sarcastic. I watch them, but I don't understand them. Like this year's half time show.

I loved the tiger puppet that Katie Perry rode. Katie Perry, btw, was the main singer. No, I don't listen to her music either, but it's a generational thing. I'm sure she's wonderful, although it was a little hard to tell based on just listening to her at the Super Bowl. Anyway, the tiger puppet was really cool. And I didn't need a road map to connect the song she was singing to the tiger. It was called "Roar." (I had to look that up. But I knew the song had something to do with tigers. I could figure that much out. Now don't go all millennial on me. It's a wonderful song about empowerment.) But it was all downhill after that.

I didn't understand why there were people dressed up as sharks, beach balls and palm trees. Even if the Super Bowl was held in Arizona, it's winter everywhere else. Except for Hawaii, I guess. But that's beside the point. The song had something to do with California & beaches. But why that was a song for the Super Bowl? I know she's promoting her music, but seriously - dancing palm trees and Annette Funicello bathing suits? I don't get it.

Or why there were people dressed like firefighters dancing around. I saw them in the background during one song and thought they were there in case the fireworks exploded. But no, they were just the next act. And I didn't know why she was wearing an oversized t-shirt that had 49 on it. I chalked it up to some famous football player's number, probably somebody playing in the Super Bowl. Turns out, the t-shirt was probably the best tie in to this year's Super Bowl. A customer pointed out to me the next

day that it was Super Bowl 49. Duh.

Now I liked the optical illusion chess board kind of thing, and there were great acrobats doing flips and stuff like that. And I figured out that the end song had something to do with a star, so it made some sense to hoist Perry up in the air while the tail acted like a comet with flames spurting out.

But I felt like I needed a road map to explain what was happening. It's a little like being a Protestant at a Catholic mass. Now don't go all wagging your finger at me. Catholics have complicated rituals that require a program, 4 different books and someone sitting next to you to explain it all and keep you on track for all the parts that aren't in the program. I know this because I have sung in the choir at the Christmas midnight mass (which actually starts at 11) on occasion. Protestant services are simpler: You sing, read something already printed in the program, sing, listen to a sermon, sing, say amen and leave.

Katy Perry's half time show needed a program for anyone over 30. Probably for everyone under 30, too, but they'd never admit it. It was simpler when the Beatles just stood on stage and sang-they never sang at Super Bowl half time, but you get my drift. They just sang their songs and didn't try to turn it into a 15 minute Broadway musical with plot and choreography, like trying to tie a great big huge tiger together with a dancing beach ball, shark and palm tree. But adults (parents) never understand the "kids" music. Adults over 30 didn't like the Beatles and they longed for singers like Frank Sinatra, because they could understand the words.

But at least you didn't need a program to understand what the Beatles were singing. I love you. Ya. Ya. Ya.

No singing Palm trees.

DOWNTON ABBEY RETREAT!

The dates are set for March 20-22, Nagel Warren Mansion. Special Attraction: Downton Abbey Trunk Show!

We are set for Friday March 20 through Sunday March 22. You will be able to check in mid afternoon on Friday and we will plan to leave Sunday mid afternoon. We have 8 king bed rooms reserved. Cost is based upon double occupancy. If you prefer a single room, you will need to let me know very quickly so I can look into booking a different room (cost of retreat will need to be adjusted). Reservations will be made through me and you can secure your spot with a down payment of half the cost by Feb. 15. The rest will be due by March 15.

If you need to cancel, I will need to know 30 days in advance. But if something comes up, please talk to me because we might be able to work something out.

We will be sewing in the conference rooms in the basement. There are 3 rooms that can accommodate about 16 sewers. I will set up separate tables for cutting and will plan on having 2 irons/boards. If you just want to come to sew, and go home at night to your own bed, I might be able to accommodate that. However, I don't want to get more than 16 sewers. If you are interested in this option, let me know and I'll see

what I can work out.

At the retreat, you may sew on any project that you like -- it does not have to be a Downton Abbey Quilt. For those of you sewing your Downton Abbey quilts, though, I will provide instruction for this year's quilt (quilt blocks will be online prior to the retreat).

During the retreat, we will play some games, win some door prizes, watch some episodes of Downton Abbey, take High Tea on Saturday, and sew our socks off!

Included in the cost:

2 nights (2 per room) at the Nagel Warren Mansion (such a treat!)
Sat & Sun breakfast
High tea on Saturday
Set of patterns for quilt
Door prizes
Lots of Fun !!!

Downton Abbey Trunk Show (quilts provided by Andover from the new line)

Lunch and dinners are on our own. There are plenty of fun restaurants downtown. You can also check out what is playing at the Lincoln Center and go to a movie (for a buck or two).

Cost per person = \$250. A \$120 deposit will secure your room. Single Room supplement is \$75. We need a minimum of 10 quilters for the retreat.

Blocks will be posted on line at www.aroundtheblockquilts.com. You can find the blocks under the "What's New" tab (once I get them posted). Fabric requirements for the quilt are also given. These blocks will stay posted for a limited time and we'll have them in the store. Price to buy in store is \$1 for one page or \$2 for 2 pages -- to help me cover the costs of the ink.

They face adversity and endure hardships; yet all too often their troubles go unnoticed. We also honor those Soldiers, Sailors, Airmen, and Marines who must miss holidays, birthdays, and family moments in far-away distant lands. It is for the family members who keep the house running while their husband, wife, son or daughter is away. It is for the children who dearly miss their deployed parent, brother, sister, uncle, or aunt. We say thank you to the men and women who have volunteered to serve our country and preserve our freedom.

See precious posts for more info on submitting a quilt for the challenge.

With this method there is no need to slit the back of the fabric and stress your stitching to remove paper.

Jungle walk February 28 10:30-5 \$20 Sue Frerich

This adorable quilt is a fusible applique project, as easy as it is fun to make! Gather up your scraps to make your quilt one of a kind. You will learn the fusible applique process and explore both hand- and machine-finishing techniques. Expect to finish at least one block during this 1-day class.

English paper piecing dates back to the early 1800s. It is a hand sewing method that uses paper templates to help sew complex angles together, like hexagons. Instead of traditional hexagon shapes, we will make "hexi flowers" using the shape called bishop's mitre, or jewel. We will make a bouquet of different flowers that will be applied onto a background, to make a small wall hanging. This class is for both beginners and experienced paper piecers.

HAND APPLIQUE CLUB

This is a get-together & stitch class. Many of us are trying hand applique these days-- patterns are calling for a lot more applique. The club is designed for quilters who already do some hand applique, but beginners are welcome as well. We will share techniques, suggest patterns, talk about threads and, in general, just stitch. A little quiet time away

from the distractions of home is what we need to get our projects done.

HAND EMBROIDERY CLUB

If you want to learn to hand embroider or just brush up your technique, join us on the second Saturday of the month from 10 to noon. We provide free vintage patterns, and this year we will have free patterns of girls with hats, that you can embroider, embellish and color. Each month Kathy Sconce shows us a new stitch to try, plus, she guides us through thread choices, how to knot, fabrics to use, and tracing techniques.

Knit Pickin' Club

This is another get-together class to sit & knit, work on our projects, share information and get some help. We will share techniques, suggest patterns, but mainly we'll sit & knit (or pick).

Toad Toters

On full moon days (as noted in the calendar) you will get 20% off all purchases (not otherwise discounted) that you can fit in your bag. You must bring your bag to participate.

Full Moon Days: January 5 (observed), February 3, March 5, April 4.

Discount Policy

We will honor only one discount -- whichever is largest. You can't combine a 10% with a 25% discount to get a 35% discount. On this we can't be bribed.

Color of the Month

January purple, February red, March green, April yellow
