November 27, 2015

It's about this time of year that I get a little mixed up. So much is going on that I can't remember what day it is, let alone which month. Sometimes all I can do is think: Is it before Christmas or after Christmas. And this year, Albertson's isn't helping. When I was walking out of the store the other day, I went past bunches of tulips, and I thought to myself. How nice. Spring. I got outside and remembered, We're not past Christmas yet. I'm sure this never happens to you.

There's no mistaking the season, now, though. It's been snowing for 3 days. The snow has piled high enough that Becca can use the drift as a trampoline to launch her over the fence. So I can't put her in the front yard right now.

And the backyard fence now has a hole in it--bigger hole, I should say. I had a Lydia sized hole that let the cat slip in & out of the fence without having to go over the fence. She's getting older and leaping to the top of the fence is getting harder. I can relate--it's getting harder to navigate ice & snow for me.

But the hole wasn't Becca sized, until I got home the other day and was greeted by Becca running free. She'd broken one of the fence slats and enlarged the Lydia hole to a Becca sized hole. So I put up a metal "gate" -- a metal door off of a dog kennel -- on the outside of the fence and braced it with cement blocks. Silly me.

I got home and, yup, Becca was running free. She simply pushed at the gate till it

fell. So the next day, I got smarter. I put the metal gate on the inside of the fence. And then wove two shovels in & out to brace the gate. Then I put a black 5 gallon bucket with a cement brick inside in front of the gate and hooked the bucket to the gate. I was feeling pretty proud of my MacGyver'd solution.

I got home after Thanksgiving only to find the metal gate pushed aside, the shovels nudged out of the way -- but Becca was still inside the fence. I wasn't gone long enough for her to get everything moved out of the way. Remember, she is a mini Aussie that weights about 25 pounds or less. Cassidy, the big Aussie, doesn't take part in these adventures.

So, anyway, this morning, I got everything back into place and added a spool of fencing wire to the bucket. And twined the end of the wire around the fence slats.

I'm pretty confident that Becca can't get out.

Don't take any bets.

Kits for the entire project (minus binding & backing) are \$93. Individual patterns, kitted with fabric, are \$20.

November Classes & Special Events

NEW TIME

Machine Applied Binding

Mon. Nov. 9 1-3 OR Dec. 13 1-3 \$20

Barb Boyer

This style of binding uses cording to help keep the binding straight & true. Bring a small quilt, your binding and your sewing machine-check the supply list to make sure you have the right tools (cording, the correct foot, binding cut at the correct width). Putting binding on by machine cuts your time more than in half-and by using cording, you can have a perfectly applied binding with no messy "oops" where your stitching just didn't quite catch the binding on the back side.

Tree Skirt

Sat. Nov. 28, 1-5 \$20

Barb Boyer

The tree skirt from Bear in the Woods book, an Eleanor Burns, Quilt in a Day book. You can do pieced Christmas trees, and a moose or 2 (complete with hoof prints) or just make it in 2 colors. Extra sizes will be provided, in case you have large Christmas trees. The "skirt" can also be used as a table topper (if you don't cut a hole in the center).

HAND APPLIQUE CLUB

This is a get-together & stitch class. Many of us are trying hand applique these days-- patterns are calling for a lot more applique. The club is designed for quilters who already do some hand applique, but beginners are welcome as well. We will share techniques, suggest patterns, talk about threads and, in general, just stitch. A little quiet time away from the distractions of home is what we need to get our projects done.

HAND EMBROIDERY CLUB

If you want to learn to hand embroider or just brush up your technique, join us on the second Saturday of the month from 10 to noon. We provide free vintage patterns, and this year we will have free patterns of girls with hats, that you can embroider, embellish and color. Each month Kathy Sconce shows us a new stitch to try, plus, she guides us through thread choices, how to knot, fabrics to use, and tracing techniques.

Knit Pickin' Club

This is another get-together class to sit & knit, work on our projects, share information and get some help. We will share techniques, suggest patterns, but mainly we'll sit & knit (or pick).

Toad Toters

On full moon days (as noted in the calendar) you will get 20% off all purchases (not otherwise discounted) that you can fit in your bag. You must bring your bag to participate. Full Moon Days: September 27; October 27; November 25; December 25 (I'll figure

something out. I'm not coming in on Christmas).

Discount Policy

We will honor only one discount -- whichever is largest. You can't combine a 10% with a 25% discount to get a 35% discount. On this we can't be bribed.

Color of the Month

September orange/yellow; October green; November flannels; December red.
