

## Quilter's Patch Quilt Kits!

This is Edyta Sitar's newest Block of the Month book. And we have it kitted just for you! Spoiler Alert: We have 3 maybe 4 kits available (1 may be spoken for). Kits are \$264 or \$22/month with credit card. If you are interested please let me know quickly. These kits will not be on the 40% off sale at the end of the month. We also have all the Moda bolts that make up this line. Even though winter has just started, this is the perfect Pick Me Up quilt to brighten the short winter days.

We will also have a Hints & Tips class once a month, in case you need a little help. Look for those classes to start in January.

**December 9, 2016**

For those you who have been following my Terrible Bad Day antics of last week, the terribleness didn't end until this Tuesday. Over the weekend the pellet stove also decided to quit working and the furnace was on again off again. By Tuesday morning--remember the snow & cold before this Thursday's snow & cold?--it was 54 degrees in the house, but the furnace guy came that morning & cleaned all the moths out of the tubing. That's right. The sneaky little furry things crawl into tight, warm spaces. Unfortunately, the gas kills them and, consequently, they don't crawl out again. One moth in the wrong place can really screw up a furnace. And the pellet stove guy came and cleaned our the clog in the auger. So when the temps hit 12 below (or worse), I was cozy. And thanks to all of you who offered their homes--if things hadn't gotten fixed by Tuesday, I would have been on the phone.

Regarding the magazine subscription, last Friday I talked to a polite, not necessarily nice, man who said there was nothing he could do about my subscription orders. I had to send him my bank statement (or parts thereof) to prove I

had paid. So I called my bank & a nice woman not only sent me the line item proofs of payment, but also a consumer fraud form. I filled that out, filled out a consumer fraud form from the attorney general's office, collected all the emails from the magazine, and emailed it all to the polite but not necessarily nice man. I never heard from him again, but by Tuesday of this week I had my refund in my bank account. I didn't have to wait for a check to be cut from their accounting department weeks later and then mailed to my home address. So Christmas is back on--I am ever optimistic that I am still getting the subscriptions that I did pay for despite my over the top complaint. Some days you just want to say, Don't mess with me, buddy. I know how to type and use words.

I am not the only one who had Terrible Bad Day happenings. Quilters told me about power they lost--I actually think all the furnaces in Cheyenne are on a mind link. They talk to each other. Otherwise, there is nothing to explain why furnaces that were working just fine up until this week decided to quit. Maybe it's a union thing.

And pipes. Don't get me started on the reports of pipes breaking and cars not starting. But everyone who has come in says they'd rather live here than somewhere where the weather stays neutral most of the year. They'd rather live with cold than hot, no bugs vs bugs, wind vs tornadoes. And, I think tops on the list, if you live somewhere nice year round, you can't complain about the weather. And we're never happy in Cheyenne unless we can complain about the cold or the wind or the snow. Or the moths. We do have that bug.

But I don't want to talk about Terrible Bad Days. That was last week.

Instead I want to talk about things you should never see.

As I was walking to my car last night, I glanced in the fitness center by the shop. And a yoga--kinda--class was going on, requiring various stretching while on a mat on the floor. And there was this middle aged, middle weight guy in blue jogging shorts with his legs stuck up in the air. Think about it for a minute. Think about those loose jogging shorts.

I gotta admit, I probably watched a little longer than I should have because I was curious to see just how much could be seen. Fortunately, he never really turned my direction so I just got the sideways view, not the full on .....

Anyway, Santa really needs to bring him a pair of stretch yoga pants for Christmas. I'm just saying.

## November Classes and Special Events

### **Misty Pond-paper piecing class** Nov. 3 & 17, Dec. 1 1-4 or 6-9 \$25 Sue Frerich

Misty Pond is one of Judy Niemeyer's patterns. You can choose this pattern or any of the other Judy Niemeyer's patterns. Sue will help get you started-reading the pattern, choosing your fabrics and getting your fabric organized (trust me, if you have not done one of her patterns, having a guide to get you started is the best plan). She will also teach you how to paper piece, and put the quilt together. We will schedule extra classes, as necessary, to help keep you going and to help you with put all the pieces together.

### **Eleanor Burns El's Garden Sampler Quilt** ongoing Nov. 19 & 26 10-12 \$20

### **Christmas Row Quilt** 3rd Sat of the month, 1-4 ongoing

### **Wild Orchid Raven Quilt** last Friday of the month ongoing, 2-4 \$20

This block of the month will feature a different raven block, from the Raven book by Blackbird Designs. You can hand applique the blocks, but class will show you how to trace the pieces, fuse them in place and applique around by machine. We have 1 kit left of the original fabrics, but you can choose your own fabrics from your stash.

### **Friday Nighters, last Friday of the month** 5:30-? \$10 Barb Boyer

This class will help you get organized for Christmas 2015 -- or just help you get things done. You give me a list of your "to dos" or unfinished projects you want to finish and then each month I check off what you've completed. Trust me. If you need incentive to stay on track, this is it. You can bring your sewing machine or do hand work.

### **Snowflake Flannel** Sat. Nov 26, 1-6 \$20 Barb Boyer

This cute quilt uses a free panel and flannel. Class will focus on learning how to cut the panel & keep it from stretching, and learning how to sew with flannel. This is a quick quilt and you will get most of it done in class - meaning you will have a cozy quilt to wrap up in just in time for Christmas.

### **Pillow Case Party** Sun. Nov 27 1-4 FREE

If you've never made a pillow case, or just want some time to sew a pillow case, this class is for you. This is a great mother/daughter styled class and pillow cases make great presents!

### **Beginning Machine Applique** Wed. Nov 30, 1-4 OR 6-9 \$25 Barb Boyer

So many quilts use applique these days. Learn the ins and outs of machine applique, from points to curves. We will practice the button hole/blanket stitch, satin stitch, and you can also play around with your decorative stitches. Threads, fusibles and stabilizers will be discussed.

## **December Classes and Special Events**

### **Finish Your Quilt Sale** Dec 3

Bring your finished quilt top to the store, and we'll help you find the perfect back and binding. Plus, we'll give you 20% off your backing, binding and/or batting. It's time to finish your quilts!

**Block of the Month** Sat. Nov 5 10:30-11:15 FREE Barb Boyer

Join at any time. You get a free fat quarter if you come to class with the previous month's completed block. This year we're making a red, white & blue quilt-patriotic theme, if you like.

**Ornament Club** 1<sup>st</sup>

Sat of the month, **4-6** Free, if you buy that month's kit

Each month we will feature a different pieced ornament. Some of the ornaments can be used as gift tags & gift card holders. You can pick & choose which ornaments you want to make-each ornament will be displayed prior to class. You can make the March ornament & skip the April ornament, for example. Kits are limited, though, so if you are interested in a particular kit, be sure to sign up for that month & let me know.

**Monthly Minis** First Saturday of the Month, Sept-Dec. 4-6 \$10 for the year (plus patterns or kits)

This year we are doing various table runners/ door banners/small wall hanging celebrating each month. Some of the quilts are long & skinny, some square, some round. Most of the quilts will be kitted.

**English Paper Piecing** 1<sup>st</sup> & 3<sup>rd</sup> Mondays 2-4 ongoing Barb Boyer \$20

**Doll Clothes, American Girl or Barbie** Wed-Fri, Dec 7-9, 10:30-5 \$25 Barb Boyer

Learn how to make doll clothes for either the Barbie Doll sized doll or the 18" American Girl Doll. You can come all 3 days, or just pick one day to sew outfits. We will learn how to sew the basics: pants, shirts, skirts & dresses. We will also explore some of the other fun items, from shoes to purses to costumes to historic. Once you know how to sew on the small scale, you can make any outfit in any size. You will need your own patterns, fabrics and embellishments (lace, beads, etc). I will have some embellishments and some fabrics from my stash available as well.

**Knit Pickers' Club** 2<sup>nd</sup> Thur. of the month, 6-8:30

Every second Thursday, we're getting together to practice our knitting. The Club is open to all skill levels. We want to share what we've learned, find new patterns, and simply just sit and knit. If you are in the Monday knitting classes, you can work on your project and get help, if you need it.
