

Around the Block
QUILT SHOP

December 22, 2019

Welcome to the Spring Schedule!

We are concentrating on several things this spring: Dresden Plates, precut quilts and rulers.

Dresden Plates: We will have a hand piecing class, an English Paper Piecing class and a machine piecing class. We will show various quilts, wall hangings and other projects using Dresden Plates. Choose one or come to all the classes to learn the various ways to use Dresden Plate blocks.

Precuts: Many of the spring quilts will use 2 1/2" strips. You can buy your strips or take advantage of our AccuCut rentals and cut your own strips. Each quilt is different: some use additional fabrics, Summer Swag uses the Diamond template (Krista Mosher). But all are different and all are quick quilts to sew.

Rulers: We have several different rules that we will be teaching this spring, including the Diamond ruler, kaleidoscope ruler, Dresden Plate ruler and drunkard's path ruler. It's fun to learn a new skill with a new ruler.

We will also teach a T-shirt class in January, to give you enough time to get that graduation quilt finished.

Wool is back on the schedule in the form of ornaments.

We still have our embroidery class, plus a separate embroidery quilt just for Halloween.

And don't forget the Block of the Month. We are working with polka dots! Plus strips and other fabrics that mimic dots. We just got a large shipment of dots from Andover to get us started.

Please look on the calendars above for times and dates. Not all quilts have pictures, but most will have samples hanging in the shop.

Ongoing Classes & Clubs

**AccuCut Rental Feb 1-4, April 1-4, most Thursdays 1-4 check calendar to be sure
\$10/30 minutes**

We have an industrial size AccuCut cutter with several dies: strips, squares, triangles, rectangles. Sign up for time of the AccuCutter to change your stash into usable strips, squares, rectangles and triangles. We will rent to machine in ½ hour intervals (you can get a lot cut in ½ hour). Be sure to check which dies we have before you come in.

Block of the Month First Sat of month 10:30-11:15 FREE Barb Boyer
Join at any time. You get a free fat quarter if you come to class with the previous month's completed block. This year the challenge is to use polka dot fabric in each block. The quilt will be whimsical, and will lend itself to bright colors, stripes, stars, and dots. To start you off we will give you a fat quarter that you must use in your blocks (at least in some of them). But...if you don't like the fat quarter or dots, you can choose any color scheme you like.

Dresden Plate, English Paper Piecing last Monday of each month, 2-4 Barb Boyer \$20 (one time fee)

We will teach the basics of English Paper Piecing, the simple & easy way to hand piece. English paper piecing dates back to the early 1800s. It is a hand sewing method that uses paper templates to help sew complex angles together, like hexagons. Any number of different designs can be made, including **Dresden Plate** **this is the pattern we're doing this year.**

Hand Embroidery Club 2nd Sat. of the month, 10-noon FREE Kathy Sconce
If you want to learn to hand embroider or just brush up your technique, join us on the second Saturday of the month from 10 to noon. You can work on your own projects or you can join the project we are doing. We are still doing the Gardner's Alphabet Quilt Block of the Month by Crabapple Hill. We will explore a variety of embroidery stitches for each block each block (2 letters per month), plus we will learn how to color with regular crayons to enhance the blocks. Each month Kathy Sconce shows us a new stitch to try, plus, she guides us through thread choices, how to knot, fabrics to use, and tracing techniques. We are also looking at new patterns, for those you do not want to do the Alphabet quilt or who have finished those blocks.

Knit Pickers' Club 2nd and 4th Wed of each month, 3-7 Carol Moler
We are changing up the Knit Pickers' Club. We're going to knit 2 days a month every second and fourth Wednesday, and we'll start earlier in the day at 3. For those you who work, we'll still be knitting >till 7. The Club is open to all skill levels. We want to share what we've learned, find new patterns, and simply just sit and knit. We work on some felting projects, fingerless mittens, mittens, and socks. And we're experimenting with group projects meaning we will demonstrate a particular project (fingerless mitts, cables, stranded work, charts) and then everyone does the same pattern. Each month (or so) we will switch to a new project.

Long Arm Quilting Classes Wednesdays from 10:30-1:30, 2:30-5:30 Barb Boyer \$30 (check calendar for specific times & dates)

In this class you will learn all about the Nolting long arm quilting machines: loading, threading, quilting. I'll demonstrate how to load and thread, set stitch length, change tension, wind and load bobbins. Then I will load a practice quilt onto the machine and show how to do hand guided quilting. Each student will be

given at least 15-20 minutes of practice time. (Each class is limited to 4 students). You will be able to do free hand quilting plus you can practice following a pantograph. Any quilter who wants to rent to machines must take this class first, regardless of whether you have experience on a long arm machine. This class is not designed to teach you everything there is to know about long arm quilting—it's just a start.

January classes

Beginning Quilting 8 weeks \$65 Barb Boyer Starting Sun Jan 19 or Thur Jan 16.

This comprehensive 8-week course will introduce to you almost everything you need to know about piecing a quilt top. Along the way you will learn about color, batting, thread, machines and various techniques to give you the skills to make almost any quilt.

BJ Designs Quilt \$25 Jan 18, 10:30-5 Barb Boyer

You can do any of the designs from BJ: Randolph Reindeer, Morley Moose, Dakota (horse), Sarge (German Shepard) and many others. These are wall hangings made in a collage style. Lessons learned include machine applique, working with fusible webbing, and color color color!

Hand Quilting Wed Jan 15, 10-noon Sandra Freeburg \$30

Hand quilting is an art that should not be lost. By the end of Sandra's class you will be hand quilting with confidence. Everyone has at least one special quilt that calls out for hand quilting. And there is nothing better than the feel of a hand quilted quilt. Do yourself a favor and learn this art that connects us to our past -- our mothers, grandmothers and great grandmothers.

Jelly Roll Race Quilt Mon Jan 20, 10:30-4 \$25 (The second of our precut quilt series)

On your mark, get set, SEW! Okay, you don't have to race, but this is another class where you can get the inside of the quilt finished in a day. (Some people can do it in an hour. I looked it up.) All you need is 42 2½" strips. We have Jelly Rolls, Tonga Treats and Bali Pops if you don't want to cut your own strips. If you do want to cut your own strips, you can use the AccuCutter and your scraps. Skills learned include how to sew straight (again, I'm not joking), piecing on the diagonal (without drawing your lines) and being brave to let the colors fall where they may. This is another quilt that is perfect for that project that needs to be done yesterday.

No Math Flying Geese Quilt \$25 Barb Boyer Jan 25, 10:30-4

(The first of our "working with rulers" class)

Master the No Math Flying Goose ruler! There are many rulers to help make accurate flying geese, but this is my favorite. It has 12 different sizes of geese to choose from. You can make any size you want. The sample shown uses the largest flying geese, which makes a bed size quilt sew up very quickly.

Zig Zag Quilt Sat Jan 11, 1-6 \$25 Sue Frerich (The first of our precut quilt series)

February Classes

Bermuda Sunset Sat Feb 15, 10:30-5 10:30-5 \$25 Sue Frerich

It may look like it's just squares and half square triangles -- and it is. But the true joy of this quilt is placement from Sue to cascading sunset colored morning colors to turn Sunrise, or working with reds for a sunset version.

in its colors. Learn color achieve a beautiful quilt! You can use subtle your quilt into a Bermuda deep yellows, oranges &

Circular Motion Sat Feb 22, (The third of our "working

This quilt uses a 2 Peaks in 1 Triangle ruler, and it creates a triangle in a square block, which when placed with other blocks form a circular pattern. The ruler is very versatile, allowing you to create a number of different triangle blocks in a variety of sizes.

10:30-4 Sue Frerich \$25 with rulers" class)

Drunkard's Path Quilt Sat Feb 1, 1-6 \$25 Barb Boyer (The second of our "working with rulers" class)

Drunkard's Path is a classic pattern, offering many design/setting choices. Back Porch Designs makes great, easy to use plastic templates that create easy to sew by machine curves. You can choose between the traditional set or a "rainbow" set that employs an additional curved piece.

Hand Applique/Back Basting Wed Feb 19, 10-noon Sandra Freeburg \$30

Back basting is a template free method of needle turn applique. No slippery freezer paper or chalked lines on top that never seem to get turned under quite right. This method is especially great for traveling, because your pieces will be basted onto your background -- no need for pins to get in the way. This class is

great for beginners and all levels of appliqueers. Don't let hand applique frustrate you. It's really easy and relaxing!

Strip Stacks Sat. Feb 8, noon-6 \$25 Sue Frerich (The third of our precut quilt series)

Use 2 ½" precut strips (or cut your own using our AccuCutter-must be done prior to class) and yardage for background to create a quilt, colorful quilt. This is an easy beginner quilt, but you do need to know how to use a rotary cutter and it will give you a lot of practice with your quarter inch seam. But it's not just for beginners-if you need to make a graduation quilt and want a day to get away and just sew, this is the perfect class for you.

Summer Swag Quilt Sat. Feb 29 10:30-5 \$25 Jean Korber (Another of our "working with rulers" series + 2 ½" pre cut strips)

This quilt is another Krista Moser quilt, no template piecing. If you did FanFaire, you can use the same ruler. And it uses precut 2 ½" strips! The pattern shows you how to combine strip piecing with diamond star cuts to create a magical three dimensional effect. The pieces are large and uncomplicated, which means in no time you will have a wonderful "summertime" quilt.

T-Shirt Quilt Mon Feb 17 10:30-4 \$25 Barb Boyer

T-shirt quilts are popular and easy to make - but with a little coaching from Barb it will make that graduation gift a snap to make. For those of you who have the EQ program on a laptop computer, you can bring your computer to class and Barb will help you design the block in the program and show you how rearrange blocks in the quilt. For those of you who do not have the program, there will be some limited time for students to work on Barb's computer to design your quilt.

Hand Piecing Dresden Plates Wed March 18 10-noon \$30 Sandra Freeburg

Everyone who quilts needs to learn to hand piece. Sometimes we need to have small portable projects to take with us in the car, to doctor appointments, and sometimes, just for relaxing stress free quilting. Learn to hand piece with traditional methods. There are many patterns that are so difficult to piece by machine, but are beautiful when done by hand. This spring, in keeping with our "Dresden Plate" theme, Sandra will teach hand piecing using the Dresden Plate pattern.
