

February 22, 2019

Here's something you don't see every day: A headline that says "You Probably Don't Own Enough Bath Towels."

The whole thing started, apparently when a 39-year-old freelance journalist, who writes for the HuffPost and New York magazine, tweeted that his stockpile of washcloths numbered 20 - at a minimum. Then he also said you should have 10 bath sheets, 10 bath towels, 10 hand towels, and preferably more than that of everything. Now, he's not talking single people. He's talking a couple. Not a family. A couple. Two.

And the journalist just didn't just volunteer this advice. He was responding to a tweet where a full fledged adult (I know this because the tweet started, hello fellow adults) asked how many towels he should own. He thought it was 10 and his girlfriend thought he was crazy. I'm assuming she thought less, but.....read on.

1,000 tweets later the controversy now has its own hashtag: #towelgate. Part of the tweeting involved people, presumably all adults, asking what a bath sheet was & what the difference was between it, a bath towel and a beach towel.

So the journalist, in order to be most helpful, provided a chart, with drawings, of all the proper measurements of everything. You can look it up yourself, if you're interested. I'm not going down that path with you.

And as the controversy grew, it became clear that 20 wash cloths were not enough. A minimum of 24 is essential because you only use a wash cloth once. Germs, you know.

And I'm thinking to myself, do none of these people own washing machines?

So to find the proper answer to all of these questions, the place to turn, of course, is the Charlestown Academy of Domestic Pursuits, whose owner says, "This is not a math equation and there is no perfect formula. The Academy calls BS on any dictated number." Instead, the right number is simply wait for it.... Personal. And probably dictated by your storage space. (I'm not making this up, trust me. There really is such an Academy.)

So that wasn't a bad answer. But things didn't stop there. The controversy expanded when she said that bath sheets, which are much larger, aren't really needed and besides, they take up too much room. Plus, our grandparents never heard of bath sheets, so therefore why do we need them?

Well, that comment just set everybody off. Grandparents never heard of lots of things, like microwaves (think, stoves), or televisions (well, maybe great grandparents) (think, book), or cars that park themselves (think, horses), or leaf blowers (think, rakes), or light bulbs (candles, of course).

The Academy also proclaimed that bath sheets were probably invented by manufacturers who wanted to sell you not just a set of 3 things, but a set of 4: sheet, towel, hand towel and wash cloth. That's like Hallmark & Hershey inventing Valentine's Day to sell cards and chocolate, & see where that has gotten us.

Well then that conversation morphed into how many bathrooms do you have and do you have to stock each bathroom, including a guest bathroom, with all of the essentials and how often do you have to change them out, even if you don't use them. Which naturally led to the discussion of whether you needed a fingertip towel, which is usually made of linen and needs to be ironed. Which, of course, led to the conversation regarding whether bath towels, etc, needed to be ironed. I'm sure you know the answer to this one: Of course.

And I'm wondering to myself, what do these people do for a living that they are worried about numbers of bath sheets one should own.

At least the tweeting didn't seem to involve the grade or thickness that is necessary for any good towel. And for me, that's what matters. We could discuss that, but that's a different topic for a different tweet.

And don't ask me how many towels I have. I still use the ones I stole from my folks' house when I left after college. Many, many years ago.....

Northcott Stonehenge is here!

Two Upcoming Contests!

FIRST: Springtime in the Rockies, our annual April shop hop event, is sponsoring another challenge with prizes attached. This year's theme is Camping! Roasting marshmallows, boating on the lake, catching fish, pitching a tent, sleeping under the stars. Design your own project or use a commercial pattern. Wall hangings, totes or other interpretations of a camping theme no larger than 60" X 60" will be accepted and must be turned in by April 8. Projects will hang at the Springtime in the Rockies Shop Hop at the Ranch, April 19 & 20. Gift Basket Prizes awarded: \$75 1st; \$50 2nd; \$25 3rd.

A few rules: Projects must be made by entrant and made within the last 12 months.

SECOND: Northcott fabrics is holding a quilt challenge to celebrate 10 years of their fabric line, Stonehenge. This challenge runs from March 15-Sept 30. Participating stores will design and kit a block. Your challenge is to use at least 12 blocks & make a quilt, no size limit on the final quilt. The Grand Prize winner will get a 9-day trip for two to England to visit Stonehenge. Separately, there is a second contest involving the Stonehenge panel that is local to each participating store. Deadline for making a quilt with the panel is November 30. Each store will choose a winning quilt, and submit the winner to Northcott. Northcott will then choose 10 winners and will award each winner \$100. When the fabric gets here, I will send out an email. Heads up: the panel will be popular, mainly because of our upcoming One Block Wonder Panel class. I am not preselling this fabric, but if you are interested, please let me know, make sure I write down how many panels you want. I can reorder this fabric. See me for more details.

You can take a panel & make it into a window pane quilt; you can do an I Spy quilt with attic window treatment on all four sides, or just put a mitered border on a quilt. Your choice.

Beginning Machine Applique Thurs May 2, 1-4 OR 6-9 \$25 Barb Boyer

So many quilts use applique these days. Learn the ins and outs of machine applique, from points to curves. We will practice the button hole/blanket stitch, satin stitch, and you can also play around with your decorative stitches. Threads, fusibles and stabilizers will be discussed.

Beginning Machine Quilting Thurs April 4, 1-4 OR 6-9 \$25 Sue Frerich

Be prepared to quilt! You will practice your quilting skills on various samples, using both your walking foot and darning foot. Batting, threads, needles and patterns will be discussed. Who knows? By the time you leave you may even be able to write/quilt your name!

Beginning Paper Piecing, Thur April 25, 1-4 or 6-9 Sue Frerich \$20

Learn the basic of paper/foundation piecing. This is a technique class where you will learn how to cut, sew & trim - all the essential steps for successful paper piecing. If you are not sure about stepping into a big paper piecing project and just want to learn the basics, this is the class for you.

Beginning Quilting Thurs. starting Sun Jan 27 1-4 OR Thur Jan 31 6-9 8 weeks \$65 Barb Boyer

This comprehensive 8-week course will introduce to you almost everything you need to know about piecing a quilt top. Along the way you will learn about color, batting, thread, machines and various techniques to give you the skills to make almost any quilt.

Binding May 3, 1-4 Barb Boyer \$20

This is an extended binding class. You will learn how to cut bias & cross grain bindings, how to sew it on including mitering the corners and joining the ends, & how to hand stitch the final side. Then in class, you will attach a binding to your own quilt. You will need to have a small project quilted & ready for binding.

Block of the Month First Sat of month 10:30-11:15 FREE Barb Boyer Join at any time. You get a free fat quarter if you come to class with the previous month's completed block. This year we're making a black & white + one color quilt. The challenge, if you choose to accept it, is work within the black & white palette (plus one color placed where ever you like). For the color choice, we are drawing paint chip cards, covered in newspaper so you can't see what color you're getting. But...if you don't like the color you've drawn you can 1) swap with a neighbor, or 2) draw a new color. And if you just can't bring yourself to work in neon green and no one will swap with you, you can just choose your own color.

Cat's Play Sat April 6 & 27, 10:30-1:30 Sue Frerich \$20

This is a small wall hanging, designed to teach a particular machine applique technique. In the first class you will learn how to make the block. It's easy and you will get a lot done in class. By the second class, you should have your quilt finished and the class will concentrate on the applique technique. This is a turned edge method for machine applique, which results in a finished, not a raw edge, applique.

Fancy Forest, an Elizabeth Hartman quilt Sun April 14 & 28, 1-4 Sue Frerich \$25

This is a delightful sampler quilt featuring animal blocks: Fancy Fox, Hazel Hedgehog, Bunny, Thistle, Francis Firefly and Allie Owl. This fat quarter friendly project is sewn with

simple straight

and diagonal seams with no templates or paper piecing. Just so you know, the Diaphanous fabrics line from In the Beginning would be a great choice for some of the animals. You can make the quilt in baby, wall hanging or bed size.

FanFaire Sat May 18, June 15, July 20 10:30-5 Jean Korber \$25

This quilt is a Krista Moser quilt, no template piecing. FanFaire, is a 4-month block of the month. Each block is made twice totaling twelve blocks. Every block teaches you a new way to use the Creative Grids 60 Degree Diamond Ruler, designed by Krista Moser. Cut a combination of diamonds, triangles, hexagons, parallelograms and trapezoids to create this fun quilt, and all with one ruler! This quilt goes together fast and is oh so striking!

Grandmother's Flower Garden, English

Paper Piecing last Monday of each month, 2-4 Barb Boyer \$20 (one time fee)

We will teach the basics of English Paper Piecing, the simple & easy way to hand piece. English paper piecing dates back to the early 1800s. It is a hand sewing method that uses paper templates to help sew complex angles together, like hexagons. Any number of different designs can be made, including Grandmother's Flower Garden-this is the pattern we're doing this year. We will also show how to hand piece the traditional way, also, if you are interested.

Hand Applique/Back Basting TBA Sandra Freeburg Feb 13, 10-noon \$25 or call for other dates

Back basting is a template free method of needle turn applique. No slippery freezer paper or chalked lines on top that never seem to get turned under quite right. This method is especially great for traveling, because your pieces will be basted onto your background -- no need for pins to get in the way. This class is great for beginners and all levels of applique. Don't let hand applique frustrate you. It's really easy and relaxing!

Hand Embroidery Club 2nd Sat. of the month, 10-noon FREE KathySconce

If you want to learn to hand embroider or just brush up your technique, join us on the second Saturday of

the month from 10 to noon. You can work on your own projects or you can join the project we are doing. This year we are following a purchased pattern called Gardner's Alphabet Quilt Block of the Month by Crabapple Hill. We will explore a variety of embroidery stitches for each block each block (2 letters per month), plus we will learn how to color with regular crayons to enhance the blocks. Each month Kathy Sconce shows us a new stitch to try, plus, she guides us through thread choices, how to knot, fabrics to use, and tracing techniques.

Hand Quilting Jan. 16, 10-noon Sandra Freeburg \$25 Watch the calendar or call for other dates

Hand quilting is an art that should not be lost. By the end of Sandra's class you will be hand quilting with confidence. Everyone has at least one special quilt that calls out for hand quilting. And there is nothing better than the feel of a hand quilted quilt. Do yourself a favor and learn this art that connects us to our past -- our mothers, grandmothers and great grandmothers.

Knit Pickers' Club 2nd and 4th Wed of each month, 3-7 Carol Moler
We are changing up the Knit Pickers' Club. We're going to knit 2 days a month every second and fourth Wednesday, and we'll start earlier in the day at 3. For those you you who work, we'll still be knitting 'till 7. The Club is open to all skill levels. We want to share what we've learned, find new patterns, and simply just sit and knit. We work on some felting projects, fingerless mittens, mittens, and socks. And we are working on a group project-meaning everyone does the same pattern. Each month we will learn a different pattern, make it into a square and eventually put all the squares into one project-afghan, scarf, bag, etc.

Live Each Season Wool Applique Thurs: Jan 10, Feb 7, Mar 7, April 11, May 9 (& rest of year) 1-4 Barb Boyer \$20

This wool wall hanging has 4 rows: Spring, Summer, Fall & Winter. We will start with the Winter Row in January. We will take 2 months per row, and we'll take July & August off. You will learn wool applique, various embroider stitches, and how to add fun embellishments to your wall hanging.

Log Cabin Cabins or Cabins in your Log Cabin Quilt, Sat Feb 23 & Mar 23, 10:30-5 Barb Boyer \$20
This is the second log cabin quilt we will make this

year. This quilt, from Judy Martin's Log Cabin Quilt Book puts cabins into the corners of the log cabin blocks for a very striking & different log cabin quilt.

Long Arm Quilting Classes Wednesdays from 10:30-1:30, 2:30-5:30 or 6-8:30 Barb Boyer \$30 (check calendar for specific times & dates)
In this class you will learn all about the Nolting long arm quilting machines: loading, threading, quilting. I'll demonstrate how to load and thread, set stitch length, change tension, wind and load bobbins. Then I will load a practice quilt onto the machine and show how to do hand guided quilting. Each student will be given at least 15-20 minutes of practice time. (Each class is limited to 4 students). You will be able to do free hand quilting plus you can practice following a pantograph. Any quilter who wants to rent to machines must take this class first, regardless of whether you have experience on a long arm machine. This class is not designed to teach you everything there is to know about long arm quilting-it's just a start.

Machine Applied Binding Mon April 8, 1-4 \$20 Jean Korber
Jean will teach 2 different machine applied bindings. One style uses cording to help keep the binding straight & true. The other uses a flange, for a two-toned binding. Putting binding on by machine cuts your time more than in half-and by using cording, you can have a perfectly applied binding with no messy "oops" where your stitching just didn't quite catch the binding on the back side. And, you will have time to cut and attach one of these bindings on your own quilt, so bring a small quilt that is ready for binding to class, so you will get some hands on practice.

Monthly Minis First Saturday of the Month, 4-6
This year we are going to do several different wall hangings. These will be kitted with all of the necessary fabrics and patterns. We will work on the same wall hanging for 2-3 months. You can choose to do one or all of them (I think I have 4 scheduled). In class we will learn various machine applique techniques to use on the blocks and some of the kits come with embellishments, so we will discuss how to add the embellishments to the quilts. First quilt: Change of plans: first quilt are hummingbirds. Second quilt will be Snowmen! (we will do the snowmen in **April**)

Mystic Garden Sat. April 27, 2-6, then a quilt retreat weekend at the shop, May 25-26, 10:30-6. Barb Boyer \$30.

This quilt uses the In the Beginning Diaphanous fabrics (most of them). This is a color wash styled quilt, with appliqued circles. I will teach a different turned edge applique method, suitable for blind hem stitch. The tough part of the class is not the piecing or the applique: it's keeping the fabrics in the right order. Thus, the retreat, so you don't have to take down your fabrics in between classes.

One Block Wonder Panel Quilt Class Reunion

Jan 26, 4-6 Then class is Feb. 16, Mar 16, and Mar. 30, 10:30-5 Sue Frerich \$25

Potluck II Second Saturday of the Month, 1-5 Ginger Newman \$20

This is a free form, with some structure, class. It involves scraps, color, free form techniques, make it work anyway you want, and liberated thinking. I've never had so much fun and we want everyone to try this style and join the fun. This spring we are adding a twist: We are going to "collaborate" on a different block each month, selection chosen at random out of a hat. The challenge is make at least one block that you can 1) use into your quilt, 2) trade with a class member or 3) save it in your parts department for later. We will teach the blocks from Gwen Marston Collaborative Quilting book.

Project Day: Jan 24, Feb. 21, Mar 21, May 23 & 30, 1-5 Barb Boyer \$20/per class

On Project Day for Spring, we are doing needle cases. The first project is a little needle case in wool, with a cat (or other applique of your choice) (no picture of this case) appliqued on top. This project will be wool and embroidery threads - kitted with the everything you need to make the needle case. The second needle case is from a pattern by Sue Spargo. This needle case will not be kitted, but we have plenty of wools for you to choose. This needle case is very colorful and we want you to choose your favorite colors for making the case. We will teach the stitches and we'll have in stock Sue Spargo's Creative Stitchery book. The last needlecase project is out of the Stitches from the Yuletide by Kathy Schmitz. This is a two session class: one session for the needlework and one to make the bag. We will add a session if needed. This needlecase will not be kitted either.

Nolting Longarm Machines

Nolting has 5 main machines, each with different reaches: from 17" to 30" depending on the machine. They are sold with or without a frame, but after I saw & helped set up one of the steel frames this week, I recommend buying the frame. All machines, except for the Standard-- the most economical machine-- have a stitch regulator. I recommend a stitch regulator. All machines can be equipped with a computer and there are a couple of different ones to choose from. In addition, you can get an extended table base so that you can use rulers, you can get larger bobbins on some of the models and on the frames you can get hydraulic lifts to raise and lower the tables. In the coming weeks, I will print out more information on each model.

The best entry level machine is the Fun Quilter. It comes in 17", 20" & 23" reach. It comes with the Intellistitch Equalizer stitch regulator, standard speed control, needle up/down, and fixed handles in the front & rear. This machine can also be equipped with a computer.

The Pro Machine has the Intellistitch Turbo stitch regulator, single stitch option, standard speed control, needle up/down and customizable

handles in the front & rear. The Pro Machine comes in 20", 24" and 30" reach with 10-12" of inside height. There are easy dials on the front to set stitch length and other options. This machine can also be equipped with a computer.

The NV Machine is the newest in the fleet of Nolting machines. This machine has a touch screen with programmable stitch regulation. You can stitch in 4 different stitch modes plus single stitch and needleup/down. It also has an adjustable brightness LED work light. This machine can also be equipped with a computer.

Nolting also has a commercial machine with the Intellistitch Equalizer stitch regulator, standard speed control, needle up/down, and fixed handles in the front & rear. This machine can also be equipped with a computer.
