"You want to do what?"

It's never a good idea to start a conversation with a mini Australian Shepherd with a question. I should know better.

"You're not using your master bath," she said. The tub is a holding spot for a couple of quilts." This much is true.

"Yes, but..."

"And you don't use the sink. And you don't pee in that toilet." All right, that's probably a bit too much info.

"Yes, but..."

"So we can brew it in the bathtub. If we take the toilet and sink out, there will be room for shelves for all the supplies we need."

"Becca, we're -and I mean you - not brewing beer in the bathtub." But she wasn't listening.

"I'll call it Beer for Becca, or maybe Becca's Brew. We can make them in chicken and beef flavors. We can do one for Cassidy & call it Cassidy's Calming Brew and put valium in it to mellow her out. Or maybe marijuana."

"Becca, you can't do...."

"And Cassidy is also getting old, so we can put some joint stuff in it for her arthritis and call it Jumpin' Joint Juice."

"Stop it. You're not making beer for dogs and you're not turning my bathroom into a brewery."

"Why not. I've already been talking to Richard about it. He's on board."

"No!" I may have to have a talk with Richard later. He was out at the house after the snow storm, helping me dig out. Becca must have twisted his ear about this.

"But I need a hobby," she whined.

"I'll buy you some beer, maybe, but you're not making it. And that's final. And besides, your hobby is escaping the back yard."

Becca stormed off in a huff, but I'm not sure I won that battle. Beer for dogs is an up & coming business these days. The beer is non alcoholic and uncarbonated, but some of the brands are actually close to what human non alcoholic beer would be. It's marketed to be sold as a treat, a supplement, over food and even frozen.

Bowser Bits sells at liquor stores and it comes in a six-pack, with flavors like Beefy Brown Ale, Cock-a-Doodle Brew and Porky Pug Porter.

Apollo Peak does dog beer & wine and cat beer & wine. Apollo Peak is based down in Golden, and its flavors include Mutt Lyte, Twisted Tail Ale, Black Print Pawsner, and Oatmeal Snout. Some of these brews are designed to increase playfulness (puppy uppers, in other words) and freshen your dog's breath.

Dawg Grog is for vegetarians and includes glucosamine and other supplements in the brew. Bark Brew uses traditional chicken & beef flavors but also adds hemp, for that calming marijuana effect.

Snuffle Dog Beer was invented after a man & his dog went on a hunting trip in the Swiss Alps and the inventor felt bad that he could drink beer afterward but his dog couldn't. And can you say, "Do want fries with that?" because Snuffle Dog Beer also sells Snuffle Fries for that extra snack at the end of the day.

Good Boy Beer brews IPA Lot in the Yard, Mailman Malt Licker, Session Squirrel and Crotch Sniffin' Ale. Flavors respectfully are pork, chicken, veggie and peanut, although why Session Squirrel would be a veggie flavored brew, I have no idea, and I'm too lazy to look that one up to verify.

Becca came trotting back in.

"I think we should do a flavor called Liver Red Ale, because I'm a liver red Aussie," she said. "It would be like Red Beer for people."

"Maybe we could do a flavor called Escape Proof, which, if you drank it, would guarantee that you can't get out of the back yard during snow storms. Or how about Muddy Pawsner, Killer Breath Ale, or Snarky Smile Stout, or...."

Becca ran back out, barking at a non existent jogger on the road.

Two Upcoming Contests!

FIRST: Springtime in the Rockies, our annual April shop hop event, is sponsoring another challenge with prizes attached. This year's theme is Camping! Roasting marshmallows, boating on the lake, catching fish, pitching a tent, sleeping under the stars. Design your own project or use a commercial pattern. Wall hangings, totes or other interpretations of a camping theme no larger than 60" X 60" will be accepted and must be turned in by April 8. Projects will hang at the Springtime in the Rockies Shop Hop at the Ranch, April 19 & 20. Gift Basket Prizes awarded: \$75 1st; \$50 2nd; \$25 3rd.

A few rules: Projects must be made by entrant and made within the last 12 months.

SECOND: Northcott fabrics is holding a quilt challenge to celebrate 10 years of their fabric line, Stonehenge. This challenge runs from March 15-Sept 30.

Our block is done!

The block is 12" finished and the kit is \$5.

Participating stores will design and kit a block. Your challenge is to use at least 12 blocks & make a quilt, no size limit on the final quilt. The Grand Prize winner will get a 9-day trip for two to England to visit Stonehenge. Separately, there is a second contest involving the Stonehenge panel that is local to each participating store. Deadline for making a quilt with the panel is November 30. Each store will choose a winning quilt, and submit the winner to Northcott. Northcott will then choose 10 winners and will award each winner \$100. See me for more details.

WHAT'S NEW!!

From In the Beginning:

Diaphanous Fabric is cut for everyone in the FanFaire and Mystic Garden classes. I only cut fabric for the tops, not the backs. For those of you in FanFaire, you will need to find 4 1/2 yards of a background fabric (white or off white) to complete your fabric requirements for class. Anyone interested in using Diaphanous on the back of your quilts, there are only a few bolts left with 6 yards or more, so don't wait too long to decide. Please come & pick up your fabrics.

Spring Classes

Beginning Machine Applique Thurs May 2, 1-4 OR 6-9 \$25 Barb Boyer
So many quilts use applique these days. Learn the ins and outs of machine applique, from points to curves. We will practice the button hole/blanket stitch, satin stitch, and you can also play around with your decorative stitches. Threads, fusibles and stabilizers will be discussed.

Beginning Machine Quilting Thurs April 4, 1-4 OR 6-9 \$25 Sue Frerich
Be prepared to quilt! You will practice your quilting skills on various samples, using both your walking foot and darning foot. Batting, threads, needles and patterns will be discussed. Who knows? By the time you leave you may even be able to write/quilt your name!

Beginning Paper Piecing, Thur April 25, 1-4 or 6-9 Sue Frerich \$20
Learn the basic of paper/foundation piecing. This is a technique class where you will learn how to cut, sew & trim - all the essential steps for successful paper piecing. If you are not sure about stepping into a big paper piecing project and just want to learn the basics, this is the class for you.

Binding May 3, 1-4 Barb Boyer \$20
This is an extended binding class. You will learn how to cut bias & cross grain bindings, how to sew it on including mitering the corners and joining the ends, & how to hand stitch the final side. Then in class, you will attach a binding to your own quilt. You will need to have a small project quilted & ready for binding.

Block of the Month First Sat of month 10:30-11:15 FREE Barb Boyer
Join at any time. You get a free fat quarter if you come to class with the previous month's completed block. This year we're making a black & white + one color quilt. The challenge, if you choose to accept it, is work within the black & white palette (plus one color placed where ever you like). For the color choice, we are drawing paint chip cards, covered in newspaper so you can't see what color you're getting. But...if you don't like the color you've drawn you can 1) swap with a neighbor, or 2) draw a new color. And if you just can't bring yourself to work in neon green and no one will swap with you, you can just choose your own color.

Cat's Play Sat April 6 & 27, 10:30-1:30 Sue Frerich \$20

This is a small wall hanging, designed to teach a particular machine applique technique. In the first class you will learn how to make the block. It's easy and you will get a lot done in class. By the second class, you should have your quilt finished and the

class will concentrate on the applique technique. This is a turned edge method for machine applique, which results in a finished, not a raw edge, applique.

Fancy Forest, an Elizabeth Hartman quilt Sun April 14 & 28, 1-4 Sue Frerich \$25

This is a delightful sampler quilt featuring animal blocks: Fancy Fox, Hazel Hedgehog, Bunny, Thistle, Francis Firefly and Allie Owl. This fat quarter friendly project is sewn with simple straight and diagonal seams with no templates or paper piecing. Just so you know, the Diaphanous fabrics line from In the Beginning would be a great choice for some of the animals. You can make the quilt in

baby, wall hanging or bed size.

FanFaire Sat May 18, June 15, July Korber \$25

Krista Moser quilt, no template
FanFaire, is a 4-month block of the block is made twice totaling twelve block teaches you a new way to use Grids 60 Degree Diamond Ruler, Krista Moser. Cut a combination of triangles, hexagons, parallelograms and trapezoids to create this fun quilt, and all with one ruler! This quilt goes together fast and is oh so striking!

This quilt is a piecing. month. Each blocks. Every the Creative designed by

Grandmother's Flower Garden, English

Paper Piecing last Monday of each month, 2-4 Barb Boyer \$20 (one time fee)

We will teach the basics of English Paper Piecing, the simple & easy way to hand piece. English paper piecing dates back to the early 1800s. It is a hand sewing method that uses paper templates to help sew complex angles together, like hexagons. Any number of different designs can be made, including Grandmother's Flower Garden-this is the pattern we're doing this year. We will also show how to hand piece the traditional way, also, if you are interested.

Hand Applique/Back Basting TBA Sandra Freeburg Feb 13, 10-noon \$25 or call for other dates

Back basting is a template free method of needle turn applique. No slippery freezer paper or chalked lines on top that never seem to get turned under quite right. This method is especially great for traveling, because your pieces will be basted onto your background -- no need for pins to get in the way. This class is great for beginners and all levels of appliquers. Don't let hand applique frustrate you. It's really easy and relaxing!

Hand Embroidery Club 2nd Sat. of the month, 10-noon FREE Kathy Sconce

If you want to learn to hand embroider or just brush up your technique, join us on the second Saturday of the month from 10 to noon. You can work on your own projects or you can join the project we are doing. This year we are following a purchased pattern called Gardner's Alphabet Quilt Block of the Month by Crabapple Hill. We will explore a variety of embroidery stitches for each block each block (2 letters per month), plus we will learn how to color with regular crayons to enhance the blocks. Each month Kathy Sconce shows us a new stitch to try, plus, she guides us through thread choices, how to knot, fabrics to use, and tracing techniques.

Hand Quilting Jan. 16, 10-noon Sandra Freeburg \$25 Watch the calendar or call for other dates

Hand quilting is an art that should not be lost. By the end of Sandra's class you will be hand quilting with confidence. Everyone has at least one special quilt that calls out for hand quilting. And there is nothing better than the feel of a hand quilted quilt. Do yourself a favor and learn this art that connects us to our past -- our mothers, grandmothers and great grandmothers.

Knit Pickers' Club 2nd and 4th Wed of each month, 3-7 Carol Moler
We are changing up the Knit Pickers' Club. We're going to knit 2 days a month every second and fourth Wednesday, and we'll start earlier in the day at 3. For those you who work, we'll still be knitting 'till 7. The Club is open to all skill levels. We want to share what we've learned, find new patterns, and simply just sit and knit. We work on some felting projects, fingerless mittens, mittens, and socks. And we are working on a group project-meaning everyone does the same pattern. Each month we will learn a different pattern, make it into a square and eventually put all the squares into one project-afghan, scarf, bag, etc.

Live Each Season Wool Applique Thurs: Jan 10, Feb 7, Mar 7, April 11, May 9 (& rest of year) 1-4 Barb Boyer \$20
This wool wall hanging has 4 rows: Spring, Summer,

Fall & Winter. We will start with the Winter Row in January. We will take 2 months per row, and we'll take July & August off. You will learn wool applique, various embroider stitches, and how to add fun embellishments to your wall hanging.

Log Cabin Cabins or Cabins in your Log Cabin Quilt, Sat Feb 23 & Mar 23, 10:30-5 Barb Boyer \$20

This is the second log cabin quilt we will make this year. This quilt, from Judy Martin's Log Cabin Quilt Book puts cabins into the corners of the log cabin blocks for a very striking & different log cabin quilt.

Long Arm Quilting Classes Wednesdays from 10:30-1:30, 2:30-5:30 or 6-8:30 Barb Boyer \$30 (check calendar for specific times & dates)

In this class you will learn all about the Nolting long arm quilting machines: loading, threading, quilting. I'll demonstrate how to load and thread, set stitch length, change tension, wind and load bobbins. Then I will load a practice quilt onto the machine and show how to do hand guided quilting. Each student will be given at least 15-20 minutes of practice time. (Each class is limited to 4 students). You will be able to do free hand quilting plus you can practice following a pantograph. Any quilter who wants to rent to machines must take this class first, regardless of whether you have experience on a long arm machine. This class is not designed to teach you everything there is to know about long arm quilting-it's just a start.

Machine Applied Binding Mon April 8, 1-4 \$20 Jean Korber

Jean will teach 2 different machine applied bindings. One style uses cording to help keep the binding straight & true. The other uses a flange, for a two-toned binding. Putting binding on by machine cuts your time more than in half-and by using cording, you can have a perfectly applied binding with no messy "oops" where your stitching just didn't quite catch the binding on the back side. And, you will have time to cut and attach one of these bindings on your own quilt, so bring a small quilt that is ready for binding to class, so you will get some hands on practice.

Monthly Minis First Saturday of the Month, 4-6 This year we are going to do several different wall hangings. These will be kitted with all of the

necessary fabrics and patterns. We will work on the same wall hanging for 2-3 months. You can choose to do one or all of them (I think I have 4 scheduled). In class we will learn various machine applique techniques to use on the blocks and some of the kits come with embellishments, so we will discuss how to add the embellishments to the quilts. First quilt: Change of plans: first quilt are hummingbirds. Second quilt will be Snowmen! (we will do the snowmen in **April**)

Mystic Garden Sat. April 27, 2-6, then a quilt retreat weekend at the shop, May 25-26, 10:30-6. Barb Boyer \$30.

This quilt uses the In the Beginning Diaphanous fabrics (most of them). This is a color wash styled quilt, with appliqued circles. I will teach a different turned edge applique method, suitable for blind hem stitch. The tough part of the class is not the piecing or the applique: it's keeping the fabrics in the right order. Thus, the retreat, so you don't have to take down your fabrics in between classes.

One Block Wonder Panel Quilt Class Reunion

Jan 26, 4-6 Then class is Feb. 16, Mar 16, and Mar. 30, 10:30-5 Sue Frerich \$25

For all of you who missed the class before, you don't want to miss this class. First we'll have a trunk show to showcase all of the One Block Wonder Panel quilts you've done over the last couple of years. Everyone is invited to come see all the wonderful quilts--which means, everyone who has taken the class, get your quilt tops done! You have a month to go before the reunion!

The next class starts in February, so sign up early to make sure you get a space--which is limited for this class. And start choosing your panels for your own One Block

Wonder Panel Quilt.

Paper Pieced Tulip Sat Mar 2, 12-4 Sue Frerich \$25
You will learn to make this beautiful tulip block and you can turn it into a wall hanging or make more for a bed sized quilt. This class is suitable for beginning paper piecers (see also Beginning Paper Piecing). The required book also has more paper pieced flowers, so once you learn how to paper piece, you can make any of the other flowers in the book.

No more sore fingers! Learn to Spoon Quilt, with a special spoon quilting

pricking your finger. Need to have basic quilting skills (rocking motion quilting).

Nolting Longarm Machines

Nolting has 5 main machines, each with different reaches: from 17" to 30" depending on the machine. They are sold with or without a frame, but after I saw & helped set up one of the steel frames this week, I recommend buying the frame. All machines, except for the Standard-- the most economical machine-- have a stitch regulator. I recommend a stitch regulator. All machines can be equipped with a computer and there are a couple of different ones to choose from. In addition, you can get an extended table base so that you can use rulers, you can get larger bobbins on some of the models and on the frames you can get hydraulic lifts to raise and lower the tables. In the coming weeks, I will print out more information on each model.

The best entry level machine is the Fun Quilter. It comes in 17", 20" & 23" reach. It comes with the Intellistitch Equalizer stitch regulator, standard speed control, needle up/down, and fixed handles in the front & rear. This machine can also be equipped with a computer.

The Pro Machine has the Intellistitch Turbo stitch regulator, single stitch option, standard speed control, needle up/down and customizable handles in the front & rear. The Pro Machine comes in 20", 24" and 30" reach with 10-12" of inside height. There are easy dials on the front to set stitch length and other options. This machine can also be equipped with a computer.

The NV Machine is the newest in the fleet of Nolting machines. This machine has a touch screen with progra

mmable stitch regulation. You can stitch in 4 different stitch modes plus single stitch and needleup/down. It also has an adjustable brightness LED work light. This machine can also be equipped with a computer.

Nolting also has a commercial machine with the Intellistitch Equalizer stitch regulator, standard speed control, needle up/down, and fixed handles in the front & rear. This machine can also be equipped with a computer.
